EDUCATION

2017-present York University / Sheridan College

Bachelor of Design

Since September 2017, I have been constantly improving my craft while attending YSDN and earning my bachelor's degree. Bla bla bla more words about school here and how it has helped me. Yay.

EXPERIENCE

2015-2016 **Speedprint Ltd.** Leamington, ON

Print Shop Assistant

Working as a print shop assistant at Speedprint Ltd. while I was just stepping foot into the world of Graphic Design gave me practical experience working in a design/print studio environment.

2016-2017 **Cowlick Studios** Leamington, ON

Freelance Designer

After combining my experience in a design studio / print shop with my independently developed skills in branding, print design, and other forms of graphic media, I worked as a freelance graphic designer for cowlick studios.
